

Mor^e è una Collezione composta da Mobili Contenitore caratterizzati da una forte personalità data dalla “scansione orizzontale” delle righe che lo cingono, senza soluzione di continuità, da fianco a fianco creando un elegante gioco di ombre.

È disponibile in due nuove tipologie di legni (con venatura continua dal fianco al frontale) e nella versione in Laccato

Micro-Texturizzato, dalla superficie leggermente satinata. Può essere realizzato con piani di copertura di diversi materiali con Lavabi da appoggio, sotto piano ed integrato in solid surface Betacryl[®] e cristallo acidato.

Mor^e is a Collection composed of Storage Units characterized by a strong personality given by the “horizontal scan” of the lines that surround it, without interruption, from side to side, creating an elegant play of shadows.

It is available in two new types of wood (with continuous veining from the side to the front) and in the Lacquered Micro-Textured version, with a slightly satin finish.

It can be made with covering surfaces of different materials with countertop and integrated washbasins in solid surface Betacryl[®] and acid etched glass.
